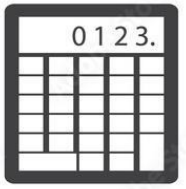
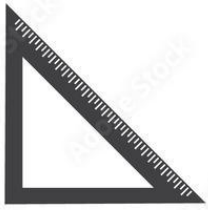
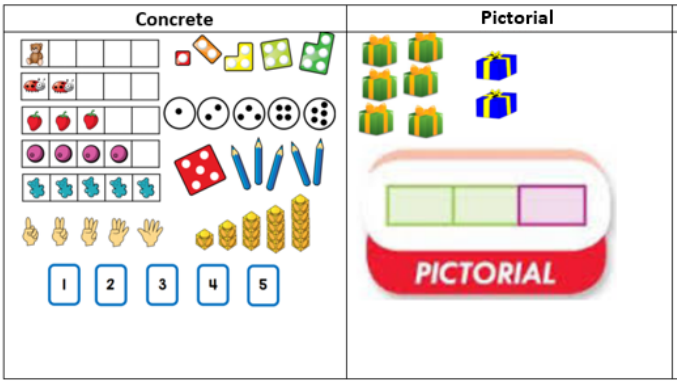
ACOMB PRIMARY SCHOOL

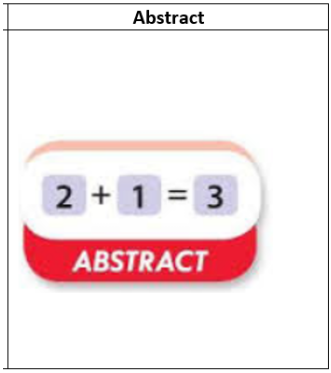




MATHS – EYFS

Maths in EYFS:





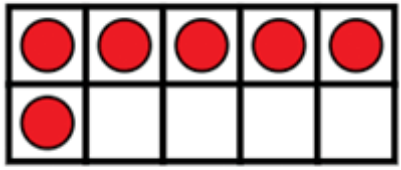
Useful website links:

- Busy things: https://www.busythings.co.uk/schools
  Log-in information – Username: apsclass – Password: cat123
- Top Marks: https://www.topmarks.co.uk/maths-games/3-5-years/counting

Objectives to support at home:

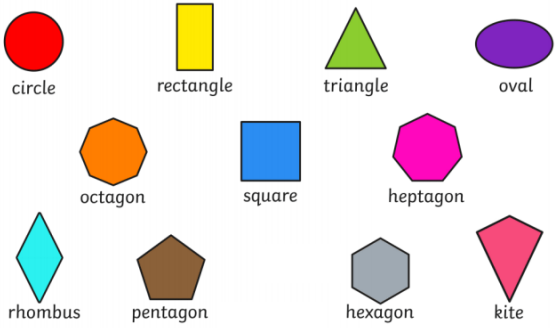
Number and numerical patterns:

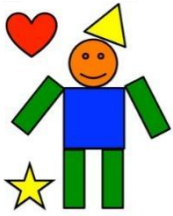
- Count 10 objects accurately (saying one number name for each item).
- Name quantities up to 5 without counting.
- Recognise numerals in everyday situations e.g. road signs, door numbers or bus numbers.
- Verbally count to 20 and beyond.
- Begin to count methodically using methods such as a tens frame (see image to the right).



Shape, space and measures:

- Name common 2D and 3D shapes.
- Describe and extend simple repeating patterns.
- Make comparisons between objects relating to size, length, weight and capacity e.g. shorter/longer, lighter/heavier.
- Describe a familiar route e.g. the walk to school, using language such as in front of, behind, next to.
- Use shapes to create pictures, models and patterns.





Feel free to share any of the great work that you do at home with us at school. We would love to see!

Timetable of learning:

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Autumn	Getting to know you (Take this time to play and get to know the children!)			Just like me!			It's me 1, 2, 3!			Light and Dark		
Spring	Alive in 5!			Growing 6, 7, 8			Building 9 and 10			Consolidation		
Summer	To 20 and Beyond			First, then, now			Find My Pattern			On the Move		

The above is a guide to the learning for the year. This may change during the year as the children cover in more depth or accelerate their learning.
